REPORT ON EVALUATION OF COMCAT FERTILIZER ON MATURE COCOA

We forward to you, the attached **report** on the test of suitability of **COMCAT FERTILIZER** on mature cocoa in Ghana. This document (attached) was submitted by the Cocoa Research Institute of Ghana (CRIG) and is for your information and retention.

COMCAT FERTILIZER is approved for use on cocoa in Ghana. Please note however, that this approval **does not compel Ghana Cocoa Board to procure the product.**

By a copy of this letter, the Executive Director, CRIG, is informed of Management's decision on the product and **is therefore requested to issue a certificate to cover COMCAT FERTILIZER.**

You can count on our co-operation.

DR. FRANCIS BAAH
DEPUTY CHIEF EXECUTIVE (A&QC)
